SUMMARY

Motivated and self-driven aspiring full-stack developer with a solid foundation in front-end technologies like HTML, CSS, and JavaScript. Passionate about building responsive and user-friendly web interfaces. Currently seeking an internship to apply my skills and gain practical experience in both front-end and back-end development. Eager to explore frameworks, databases, and server-side technologies. Known for being adaptable, quick to learn, and enthusiastic about contributing to team success.

CERTIFICATION

[Responsive Web Design – freeCodeCamp](#)

[Intro to UI Design – Coursera/Udemy](#)

PROJECTS

Personal Portfolio Website

A responsive portfolio showcasing my work and skills. Built with HTML, CSS, and JavaScript.

🔗 <https://niraj-portfolio-topaz.vercel.app/>

Web Design Landing Page

Designed and built a responsive landing page that showcases modern web development services. Implemented dark mode toggle, reusable card components, and structured layout using HTML, CSS, and a mobile-first approach.
